 - iii) However, official driver is optional for officers or the average wages for the driver in BPS 9 including all the allowances as admissible to regular driver, as used for working out the financial implications.
- v. The payments of these monthly lump sum amounts shall be considered as payment of actual expenses of Company for all intents and purposes and these payments shall not be considered a value addition to the salary of any such officer.
- vi. During the period of five years, one-time replacement of Tires, Tubes and Battery shall be allowed at the company expense but not before two years.
- vii. The Officers upgraded in higher scale will not be entitled for vehicle other than what is admissible for respective substantive grade.
- viii. If an officer doesn't want to opt for new vehicle and retains same vehicle after 5 years (Completion of installments), he will continue to draw POL and maintenance charges as per his entitlement.
- ix. Those employees who have already taken car loan through existing rules will not be eligible for this policy, however if they will refund all amount of car loan outstanding against the, then they will be eligible.
- x. On the date of promulgation of this policy, the vehicles already allotted / possessed by the officers could be opted for retention at settlement value as defined in this Policy instead of a new one. All other terms and conditions including ancillary benefits under this policy shall apply accordingly.
- xi. An officer may opt for purchase any one vehicle, from amongst those taken in auction pool as matter of first right and will be entitled for maintenance as per entitlement. He may claim for new vehicle after five years or change of entitlement on promotion.
- xii. If company intends to dispose of some of vehicles available in the Pool of vehicles maintained by company. The company officers (other than those who have a vehicle under the policy) will have first right of refusal against pool of vehicles earmarked for disposal only once in the entire service on the price determined by evaluation committee for disposal.

Qualification Criteria & Terms and Conditions of Scheme A to E.

- i. All officers, serving in BPS -17 and above with five years or more service (those inducted in higher scales with minimum three years' service) will qualify for scheme, subject to minimum remaining service of two years.
- ii. The vehicle must be purchased once the Transport Committee approves the case of Company Officer and such officer undertakes to execute the agreement and other required documents, attached herewith as schedule A of this transport policy.
- iii. The vehicle shall be purchased in compliance of requirements of PPRA and shall be registered in the name of Company, registration charges shall be borne by Company.
- iv. The vehicle shall be kept insured for Five years through insurance policy of an Insurance company of A +or higher in rating. Insurance premium in all cases will be paid in lump sum by COMPANY and shall be recovered from the concerned officer in monthly installments from their salaries.
- v. In case of transfer/ absorption from other companies to COMPANY, previous service of the officer will be counted for the purpose (eligibility criteria etc.) of this policy, subject to conditions of not availing the facility in last five year during his previous service

Recovery Plan

- i. Recovery period will be five years or less in case of retirement for all categories.
- ii. A Company Officer entitled for a Scheme A to D of this policy shall be required to pay, by way of deduction from his salary to Company a sum equal to the 60% of the cost of vehicle (including all Federal and Provincial Taxes but excluding cost of registration and prevailing withholding income taxes) in 60 equal monthly installments.
- iii. The Officer shall pay 20% cost of vehicle as down payment before possession of the vehicle. The 80% cost will be shared equally between COMPANY and officer in sixty installments, treated 40% part to as vehicle.
- iv. For the officers whose remaining service will be less than five years, the balance amount **on his part** will be deposited by the officer at the time of his retirement in lump sum before taking the vehicle and all the allowances/facilities allowed to the officer will be ceased after retirement.
- v. In case of switching out of Company, the officer may take vehicle with him and balance amount (Employee and Company share) will be mentioned in his/her LPC which will liable to be paid by the employee every month in the Company where he/she is transferred that Company will be responsible to deposit deduction regularly to COMPANY.
- vi. **No monthly conveyance will be allowed to the respective officers.**
- vii. After complete recovery of vehicle share from the officer, ownership of vehicle will be transferred to concerned officer. Entitlement for second vehicle will be subject to remaining two years' service or more, otherwise provision of POL & Maintenance charges will continue as per new entitlement.
- viii. In case a used vehicle less than five years old from its manufacturing date is allocated to officer, the **Settlement Value** of vehicles calculated by transport committee. The officer entitled for **Scheme A – D** (given in Para 8 (iii) of this policy), shall be required to pay, by way of deduction from his salary, to COMPANY a sum equal to the 60 % of the cost of vehicle (settlement value) within remaining life of vehicle (within five years from manufacturing date of vehicle).

- ix. The first deduction shall be made from the salary of the month in which handing over of the vehicle is made.

Official utilization of the vehicle.

- i. An officer, provided vehicle, under this policy shall always prefer its use for official purposes. The priority of use of vehicle should be for official purpose over its personal use.
- ii. The use of pool transport/vehicles shall only be authorized subject to satisfaction of Transport directorate on the following events:
 - a. If the allocated vehicle under this policy has met an accident and is not available with the officer due to its repair requirements
 - b. If the allocated vehicle under this policy is stolen and such theft has been reported to local police and a FIR of the same has been registered
 - c. If the allocated vehicle has been taken in custody by any law enforcement agency.
- iii. If an officer is found to have used the pool transport for official or personal use, by falsification, it shall tantamount to misconduct and punishable under Disciplinary action Rules.
- iv. No extra payment for fuel/POL charges shall be paid to any officer.
- v. In case of official outstation journey using the vehicle provided under this policy, the officer shall be entitled to claim TA of private car per Travel management rules.

Promotion, Transfer, Deputation, Long Leave, Resignation, Retirement, Removal from service, Death/disability or Medical Invalidation of an Officer

a. Transfer/ Resignation/deputation/long leave/retirement.

- i. In case transfer out of Company/Resignation / Deputation / long leave of more than 365 days / retirement, officer will take the vehicle with him after depositing the balance amount in case officer opts for retaining the vehicle by immediate payment of settlement value. The transfer charges including taxes, if any, of the vehicle from company to such officer shall be borne by the officer.
- ii. If the Officer does not opt for retaining the Vehicle, the Vehicle shall be returned to the transport department of the company forthwith. The transport department will report the matter to Transport Committee, which shall decide as to if the amounts, if any, are to be adjusted' in respect of the vehicle between the parties.

b. Removal/ Dismissal from Service

- i) If an officer, who has availed the facility of vehicle under this Policy, is suspended from service under the charges with the allegations, the prescribed penalty of which charges, if approved, removal/dismissal from service, such officer shall immediately handover the vehicle to transport department of the company.
- ii) The damage, if any, if so, caused to the vehicle after leveling of such charges against officer, shall be recovered from such officer.
- iii) Such an officer will not be entitled to retention of the vehicle on the payment of settlement value of the vehicle, if he or she is removed from service by competent authority unless entire company share and expenses incurred on maintenance of vehicle are refunded.

- iv) The continuous possession of the vehicle, after the penalty of the removal/dismissal from service by COMPANY shall be a criminal offence, without prejudice to any stay order against such removal/dismissal from service by any court or tribunal, unless the retention of the vehicle by such officer is specifically ordered by such court or tribunal.

c. Medical Invalidation, Disability or Death

- i. In eventuality of an officer is declared medically invalid or disable as per service rules of the COMPANY, such officer may apply to the Transport Committee for retention of the vehicle with a request for payment of settlement value of the vehicle in lump sum from his pension/commutation.
- ii. In the event of incident of death of an officer utilizing the vehicle under this policy, the transport Committee will consider the waiver/write off of the settlement value of the vehicle and send the case of such waiver/write off to the competent authority i.e. Chief Executive Officer for approval. In any of the above eventualities mentioned in clauses above, the officer or his/her nominee, as the case may be, will not be entitled to any payment against POL, Maintenance and Driver allowance.
- iii. Every officer, on the availing of vehicle under this Policy, shall furnish a nomination form whereby any person of his/her choice will be nominated by such officer.
- iv. Every officer will be required to re-affirm or change his/her nominee of choice after his /her marriage. If no such change is reported, it shall be presumed that the wife or the husband, as the case may be, has been nominated by such officer as his/her nominee.

Accidents & Snatching/theft of Vehicle

- i. All major accidents must be reported to Police authorities concerned as well as, to the Insurance company and the Transport Committee as soon as possible.
- ii. Since all vehicles to be purchased and maintained in pursuance of this Policy are required to kept under full insurance cover, as prescribed under various schemes of this Policy, therefore the expenditure/bill for repair of such vehicle shall be borne by the Insurance Company.
- iii. If any differential depreciation value is to be paid, as it the practice in vogue of the Insurance policies, for clearing the bill of repair of vehicle, such payment shall be borne by the officer. However, the officer may apply to the Transport Committee for the payment of such amount by company on his undertaking that such amount shall be deducted in approved installments from the salary of such officer.
- iv. If vehicle irrespective of the officer or authorized driver is adjudged to have been involved in an accident due to rash and negligent driving and any amount of compensation is determined and ordered to be paid by an authority, court or tribunal to the other party or person involved in the accident, such payment shall not be a liability of the company
- v. If such a payment is ordered to be paid by company by court of law, the officer allocated such vehicle will indemnify company of such losses, if sustained or paid by the company in pursuance of clause 14 (iv) of the Policy
- vi. If the value has been reported as total loss and the premium paid by the insurance Company is not sufficient enough to clear the payment of settlement value of the vehicle as per settlement book of company, the officer will apply to the Transport Committee for deferring the payment of the remaining settlement value of the vehicle and deduction of the same

as per approved monthly installment by such officer from his monthly salary.

- vii. The officer, whose vehicle is snatched, stolen or declared total loss resulting from an accident, may apply to the Transport Committee for purchase and allocation of a new vehicle provided 50% difference of insurance indemnity net of the scrap value of the vehicle, if any, has been paid by him/her and 50% remaining amount will be borne by company. In such a case, on request of the officer, the Transport Committee may recommend his/her request for approval to Chief Executive Officer (CEO) to recover the differential amount in multiple monthly installments as considered appropriate.
- viii. The officer, whose vehicle is declared total loss or unrecoverable, shall apply to the Transport Committee for purchase and allocation of new vehicle.
- ix. The Transport committee may, or may not approve the allocation and purchase of the new Vehicle as per the circumstances of each case. Every such case of approval or refusal shall be reported to the Chief Executive Officer. The decision of the CEO shall be final.
- x. In case the proposal of allocation and purchase of vehicle of such officer is finally refused, the Transport Committee, with the approval of the CEO, may allocate any available vehicle to such an officer after finalizing its repayment plan by the officer.
- xi. After period of five year the officer will be eligible to obtain new vehicle again. However, the officer must have at least 02 years remaining service to be eligible for new vehicle.

Responsibility for the vehicle.

- i. The overall responsibility for the safeguarding of a vehicle issued to an officer and any accessories therein rests with the officer concerned
- ii. The officer or the driver retained by him must exercise proper care in the use and handling of the vehicle
- iii. An officer or anyone to whom he handed over the vehicle, if found to have used the vehicle recklessly, negligently and if such negligence and recklessness has caused any damage to any third party, the compensation or damages of such third party will be liability of the officers.
- iv. All traffic fines and road taxes, toll charges, fees must be paid by the officer to whom the vehicle is issued no reimbursements shall be claimable.
- v. The annual tax of the vehicle shall be the responsibility of company as long as the vehicle remains in the name of company.
- vi. If the vehicle is impounded by any authority for non-payment of fines etc. or for having been used in any criminal and unlawful activity, the officer shall not be provided with any other vehicle and non-availability of the vehicle in such circumstances will not be an admissible explanation for non-performing of his duties towards company.

Disposal of Old Vehicle Withdrawn from Officers.

- i. The transport Committee will dispose-off old vehicle and will perform following duties.
- ii. Assess market / Depreciated value of the vehicle to be disposed off. And the first right of refusal will be given to officers once in entire service provided no vehicle could not be given to him under Vehicle Management policy .
- iii. The vehicle will also be offered under VMP(Vehicle Management Policy to the officer at 50% of assessed market value (As determined by transport

committee) & 50% will be share by COMPANY recoverable in lump sum to the retiring officer and in equal monthly installment for the remaining period of his service but not more than 60

- iv. Installments for serving officer with the approval of CEO. Such serving officer will also be entitled to Maintenance charges, POL and driver's salary as per this policy. However, officer will be eligible for new vehicle after completion of five years and clearance of all installments of opted vehicle.
- v. It will be offered to the officers keeping in view of their willingness and availability of vehicles.
- vi. If a vehicle is not desired to be retained by any employee, it will be auctioned after completing formalities.
- vii. If an officer is promoted to the next scale, he will be eligible for new vehicle after completion of installments of existing vehicle as per policy i.e. five years. Till then he will not be provided the vehicle for next grade.

Central Pool of Vehicle

A Central Pool of Vehicles will also be maintained for Company Guests or BOD members and for meeting other inescapable needs.

Appeals

The appeal against any decision of the Transport Committee shall lie with the CEO.

Review of policy

- i. This policy may be reviewed as and when required and any review thereof is the responsibility and authority of the Board of Directors of the company.
- ii. The change of policy will always be prospective and the officers who are already allotted a vehicle will neither be adversely affected by change of policy nor will such officers can claim any beneficial changes of the policy as a matter of right.

Contraventions

An officer who is drawing driver allowance under this scheme will not be entitled to get facility of official driver and will forward a certificate to this effect to Secretary Transport committee on six-month basis. Any officer found otherwise, will be construed as **misconduct** and will be dealt under the relevant rules.

An officer who contravenes or fails to comply with any provision of this policy may be subjected to **disciplinary action** as per company rules of employment.

PART-II (FOR OFFICIALS)
