

## 12: Transfers Posting Policy

### Title: Transfers Posting Policy

#### Objective

The policy objective is to emphasize that the Company exercises its discretion in transferring employees to other jobs as well as in other locations for operational reasons and to give the employee exposure to different jobs and working conditions.

#### Policy

Significant policies related to staff transfers are summarized below:

1. A transfer is effected by the company mainly for operational reasons to fill a vacancy in a department or field office. Mutual consent of the heads of the transferor and transferee departments is obtained.
2. As part of the job rotation programme to groom and develop employees for higher posts, the Company may post an employee in another department with the consent of the concerned departmental heads and approval of the competent authority. The need for progressive exposure may be indicated by the head of a department in the performance appraisal form.
3. An employee may be placed in other locations of the company temporarily or permanently by the Head of Department according to the requirement.
4. All travel and associated relocation expenses will be paid by the company according to the entitlement specified for different job grades.
5. When under transfer, an employee cannot apply for leave until such time as he / she has joined the place of new postings.

#### Procedure

In case of any vacancy, the concerned department will initiate a Personnel Requisition form on the prescribed format. The Head of Human Resource function is responsible for evaluating the possibility of transferring an employee with the requisite credentials if surplus staff is available in any other department/field office.
